SERIOUS COFFEE. ZERO SNOBBERY.

Excellent coffee, explained like a knowledgeable friend - so a better morning never feels like joining a club.

THE UPGRADER

A better morning, not a coffee credential.

WANTS	Café-quality coffee at home without turning it into a hobby.
HESITATES	Choice, jargon, price doubt and fear of buying the wrong thing.
MOVES WHEN	A human voice makes the first choice obvious and low-risk.
